I always have time for your referrals!

It's an exciting time in the Northeast Indiana's real estate market. Economic stability, Midwest values, and excellent schools are driving a robust real estate market. There is no better time than now to buy the home of your dreams or sell your existing one. I would love to help you in that journey!

Buying a home is likely the largest purchasing decision you'll make. It can be exciting and stressful all at the same time. I will help navigate the process and find the right fit for you. My passion to exceed expectations and expertise in the local market will yield the results you desire.

I am a native of Fort Wayne and proud to serve the community I have called home for years. I am a graduate of Homestead High School and the University of St. Francis. I am an expert in the community and can even help with knowledge of restaurants, shopping, repair, family fun, etc. after your sale! My experience also extends out to the Steuben Co. lakes and Lake George, which I am a resident of.

Resources I offer include a partnership with one of the top real estate firms in Indiana, Mike Thomas and Associates. Mike Thomas and Associates share my vision of superior customer service and commitment to client satisfaction. By combining resources, I can offer more to my clients. Whether you're buying a new home or selling an existing one, we have everything you'll need to make the transition seamless.

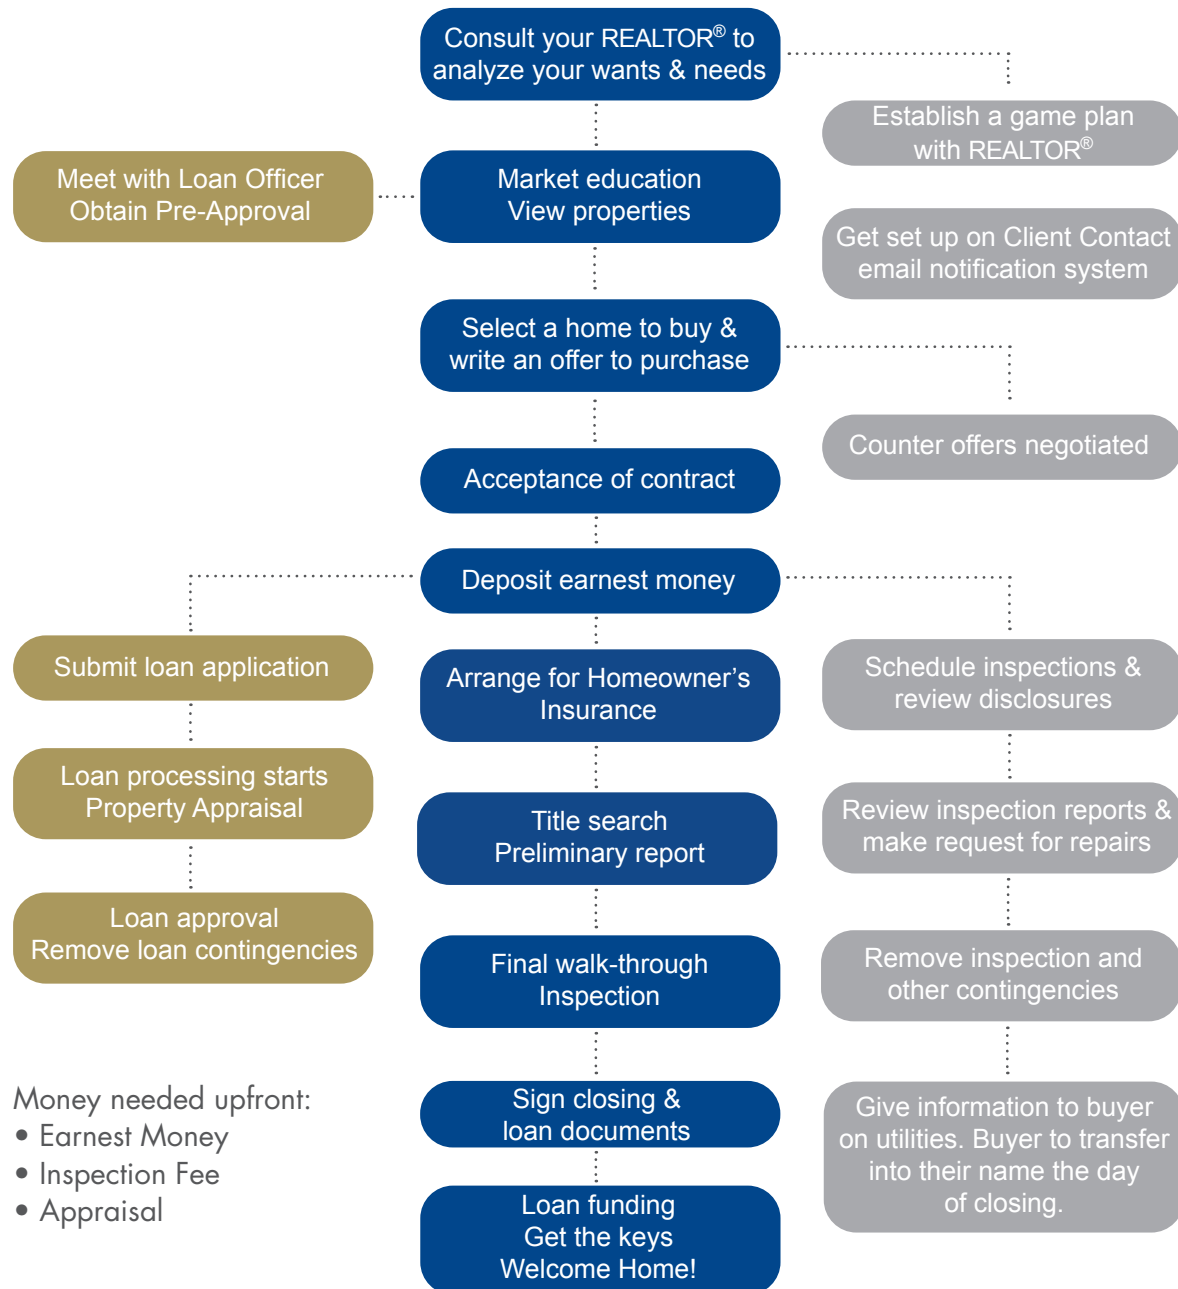

I operate with the upmost integrity and will always have your best interests as the top priority. I provide personalized service focused on a positive experience before, during, and after the transaction. I am a high energy person and can't wait to get to work for you!
