

TERI LITWINKO

REALTOR/BROKER

Over 15 years of experience in the mortgage, appraisal and real estate sales fields. I strive to put my knowledge to work for my clients everyday and throughout every step of the home buying and selling process.

Being a transplant to this area myself from western New York, I love showing others how truly wonderful it is to live in Northeast Indiana. Every day I gain a greater appreciation for all that this area has to offer.

Team Tamara Advantage: I also work as part of Team Tamara which consists of 4 full-time Realtors and a full-time team administrator so no matter when your need arises, myself and my team are here for you!
